Committee Members,

After having polled the active membership of Veteran's of Foreign Wars Post #3648, I have been assured that if the proposed Veterans' Home is sited in Boulder, they stand ready to help in any voluntary capacity.

Some suggestions were to provide assisted fishing trips, sight-seeing excursions, etc. for those residents able to participate.

We realize that these activities would be coordinated through the staff of the home. However, those members that are capable expressed a desire to assist the residents however possible.

Sincerely,

Larrey Lattin
